Professor Iain Begg is a Professorial Research Fellow at the European Institute, London School of Economics and Political Science. His main research work is on the political economy of European integration and EU economic governance. He has directed and participated in a series of research projects on different facets of EU policy and his current projects include studies on the governance of EU economic and social policy, the EU's Europe 2020 strategy, evaluation of EU cohesion policy and reform of the EU budget. Other recent research projects include work on policy co-ordination under EMU and the social impact of globalization.

- Language: English
- The lecture is free of charge, no need for registration, and open to the public.
