

# Settlement of drinking at Hitotsubashi International Residence Halls

2016 July 21

Director of Hitotsubashi International Residence Halls

(Substance)

Article 1

This settlement with respect to drinking at Hitotsubashi International Residence Halls (hereinafter referred to as the "dormitory") provide for the necessary matters.

(Fundamental Rules of Alcohol)

Article 2

Hitotsubashi University (hereinafter referred to as the "University") does not recognize under-age 20 drinking. Hitotsubashi University student (hereinafter referred to as "student") is not allowed to serve or offer to under-age 20.

(Prohibited Matters)

Article 3

Alcohol may not be consumed by any person in any part of dormitory except in a contractually assigned private residence hall rooms (hereinafter referred to as the "private space"). However, for those permitted by the University students organization can consume alcohol in space other than private space (e.g. in common area within a contractually assigned or at a registered and approved events). In this case, all residents need to note that even in the private space, residents will be penalized when they disturb public order.

(Penalty, etc.)

Article 4

In violation of the provisions of the preceding Article, the University reserves the right to take following actions:

1. Take disciplinary action based on the university regulations.
2. Revoke the residency permission for the dormitory under Article 20 of Hitotsubashi International Residence Halls Regulation.
3. Give the educational guidance by supervisors.
4. Give other educational guidance determined to be necessary.

Such actions are taken only after careful consideration by appropriate officials of the University.

(Life-saving Measures)

Article 5

All residents should be mindful of safe drinking. In case of emergency, all residents should take the appropriate measures (e.g. call ambulance immediately).

Supplementary Provisions

This transaction shall come into effect from July 21, 2016.
