About the academic year calendar

Major events are listed on this academic year calendar. Please take care not to overlook other events listed in various bulletins and communications.

[Notes]

- Replacement days in each quarter are scheduled in order to make up the number of class days for each day of the week, so classes on the replaced day of the week are to be held.
- In principle, classes other than those for "intensive courses" are not held during intensive course dates, but in some cases, classroom examinations for online courses other than intensive courses may be held in the first and second periods during intensive course dates.
- In principle, only English-language placement tests (including additional tests) are held on English-language placement test dates, but in some cases, classroom examinations for online courses, etc., may also be held.
- Even where classes are scheduled, all or some classes may be cancelled due to university events, festivals, etc., so please check bulletins etc. Also, classes, make-up classes, examinations, etc. may be held even on days scheduled as holidays in special circumstances.
